“Home2 Suites by Hilton was created to apply a fresh, new perspective to the mid-scale extended stay hotel model, rethinking each component of the guest experience to deliver something unique that would bring a smile and surprise to travelers,” said Adrian Kurre, global head, Home2 Suites by Hilton. “Releasing our latest ‘Fresh New Way’ video on National Good Neighbor Day is not only about showcasing this approach by putting a different spin on every
day occurrences, but also saying ‘thank you’ to travelers and the communities who have accepted us with open arms.”

The latest “Fresh New Way” video focuses on how Home2 Suites by Hilton strives to deliver the unexpected. In the hidden-camera video, the central character is a fortune teller who interacts with pedestrians who stop to have their ‘fortunes’ read. Though unsure of the fortune teller’s claims, participants receive a “suite” surprise at the end, validating the prediction and reinforcing the guest and community-centric service culture of the brand. The new video, along with other previous Fresh New Way clips, is live here.

In addition, Home2 Suites by Hilton is celebrating National Good Neighbor Day in select cities across the country. In Atlanta, Philadelphia and Dallas, brand ambassadors will surprise locals with acts of good fortune ranging from picking up lunch tabs and handing out refreshing water to awarding free stays at Home2 Suites by Hilton. The brand will also reward community partners who are most active with Home2 Suites’ Your2 Hands program with surprise giveaways including free stays at any Home2 Suites property across the country.
