Home2 Suites by Hilton recently announced its newest property, Home2 Suites by Hilton Cleveland Beachwood. Featuring 91 suites, the hotel is owned by Beachwood Hotels LLC and managed by Atlantic Hospitality and Management.

Located at 3589 Park East Drive, off I-271 in the Beachwood suburb, the new hotel provides access to university hospitals and Cleveland Clinic campuses, as well as many Fortune 500 companies and local universities and colleges. The property is 20 minutes to downtown Cleveland and 1 mile from the Eaton Corp. and Aleris office. The town of Chagrin Falls, the shops and restaurants at Legacy Village and Beachwood Place are nearby as well. The Cleveland Hopkins International Airport is 30 minutes away.

"With our dynamic sports teams and attractions, more visitors are visiting Cleveland annually. Our spacious and value-driven extended stay accommodations are a grand slam for those seeking a fresh, new way to travel," said Mike O'Neill, general manager of Home2 Suites by Hilton Cleveland Beachwood.

The pet-friendly hotel has all-suite accommodations with fully equipped kitchens and modular furniture, as well as complimentary Internet. Spin2 Cycle, a combined laundry and fitness area, Home2 MKT for grab-and-go items, and a complimentary daily breakfast are among the hotel's amenities. Guests can also enjoy the indoor saline pool, outdoor patio, fire pit and grill area.

The new hotel will contribute to the greater Cleveland area's yearly growth in tourism, which brought in a record high of 17.6 million visitors in 2015, according to cleveland.com.
